

Lexington KY Premiere Pond & Water Garden Resource

H2O Designs Inc

Activated Filter Carbon - 4 Lb

\$39.98 ~~\$35.98~~
You Save: 10.00%

Treats up to 800 gallons. 1 scoop treats up to 25 gallons.

Aquascape Activated Pond Carbon is a quick, safe and easy way of clearing tea-colored pond water. Aquascape Activated Pond Carbon is also highly effective at removing dissolved organics from the pond water, such as stains and discoloration caused by leaves and organic debris. Using Aquascape Activated Pond Carbon is also an effective method for controlling odor and removing harmful chlorine and chloramines

caused by tap water.
