

Lexington KY Premiere Pond & Water Garden Resource

H2O Designs Inc

Installation Accesories

We provide a complete range of installation tools and accessories for the professional pond contractor as well as the do-it-yourselfer. We feature Aquascape Brand Products. Aquascape is one of the only companies that not only sells pond products, but has a full-time installation division that has installed thousands of professionally built ponds. We know what tools and accessories are needed to do the job right the first time.
