## Lexington KY Premiere Pond & Water Garden Resource

*H2O Designs Inc*

### Beneficial Bacteria Bubble Tabs

\$12.98 ~~\$11.68~~  
You Save: 10.00%

Aquascape Bacteria Bubble Tabs contain 8 pure strains of concentrated beneficial bacteria, including enzymes. This combination of natural cleaners helps to maintain a strong biological balance in your pond. Because ornamental water gardens are enclosed ecosystems, sometimes factors like fish load, uneaten fish food, organics such as leaves, sludge and unwanted debris may disrupt the balance. Aquascape Bacteria Bubble Tabs maintain a strong biological balance; providing clean, clear and healthy water conditions.

36 tablet container treats up to 3,600 gallons. 1 tablet per 100 gallons.

72 tablet container treats up to 7,200 gallons. 1 tablet per 100 gallons.
